

Position switch with roller lever

Item Code: 3010846

Part Number: PIZFR530

Position switch with roller lever

General

Unit of Measure	Each
Material	Polymer
Colour	Black

Operating Specifications

Flame Propagation	Self-extinguishing
IP Rating	IP67
Min Operating Temp	-20 °C
Max Operating Temp	80 °C

Technical Specifications

Conduit Entries	1x M20x1.5
Contact Block	B5
Contact Block Type	1NO + 1NC snap action
Actuator	With technopolymer roller lever, 18mm diameter

Head	Regular head for rotating levers
Positive opening	Yes

Compliance

Compliance	RoHS
